|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | (Signature of Contracting Office                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                          |           |                                                  |               |         |         |  |

## SECTION SF 30 BLOCK 14 CONTINUATION PAGE

The following items are applicable to this modification:

SUMMARY OF CHANGES

SECTION E - INSPECTION AND ACCEPTANCE

The following have been modified:

E-1

## INSPECTION AND ACCEPTANCE - ORIGIN

- (a) Inspection and acceptance of the supplies or services to be furnished hereunder shall be made by representatives of the Government (normally the Defense Contract Management Area Operations (DCMAO)) at the contractor's or subcontractor's plant. The cognizant inspector shall be notified when material is ready for inspection. When the contract provides for Government procurement quality assurance actions at source, the place or places designated for such actions may not be changed without authorization of the Contracting Officer.
- (b) When off-the-shelf items (items already produced) are presented by the contractor, the Government inspector is authorized to limit inspection to those procurement quality assurance (PQA) actions which can be performed.

SECTION J - LIST OF DOCUMENTS, EXHIBITS AND OTHER ATTACHMENTS

The following have been modified:

SECTION J

## SECTION J - LIST OF ATTACHMENTS & EXHIBITS

ATTACHMENT "A" Statement of Work (SOW) for MIDS LVT Production dated 02/11/2016

ATTACHMENT "B" Small Business Subcontracting Plan dated 06/19/2015

ATTACHMENT "C" RESERVED

ATTACHMENT "D" Statement of Work (SOW) for MIDS Engineering

Services dated 01/29/15

ATTACHMENT "E" RESERVED

ATTACHMENT "F" F.1-MIDS-LVT Index and Data Lists dated 02/05/2016

applicable to all BU1 and BU2 MIDS-LVT terminals ordered under the contract. **REPLACED BY ATTACHMENT F.2, P00003** 

ATTACHMENT "F" F.2-MIDS-LVT Index and Data Lists dated 13 April 2017 applicable to all BU1 and

BU2 MIDS-LVT terminals ordered under the contract.

ATTACHMENT "G" RESERVED

ATTACHMENT "H" DD Form 254, Contract Security Classification

Specification, 21 August 2015

ATTACHMENT "I" Acceptance Test Requirements Matrix for MIDS-LVT

(1) dated 03/19/15

ATTACHMENT "J" Acceptance Test Requirements Matrix for MIDS LVT

(2)/(11) dated 03/19/15

ATTACHMENT "K" Acceptance Test Requirements Matrix for MIDS LVT

(3) dated 03/27/15

ATTACHMENT "L" RESERVED

ATTACHMENT "M" RESERVED

ATTACHMENT "N" Acceptance Test Requirements Matrix for MIDS LVT Terminals

Executing NSIO and NCP Software dated 03/19/15, DELETED, P00002

ATTACHMENT "O" RESERVED

ATTACHMENT "P" RESERVED

ATTACHMENT "Q" NSA TEMPEST Questionnaire for ECPs dated 06/06/11

ATTACHMENT "R" RESERVED

ATTACHMENT "S" CDRL General Instructions dated 02/11/2016

ATTACHMENT "T" RESERVED

ATTACHMENT "U" RESERVED

ATTACHMENT "V" RESERVED

ATTACHMENT "W" NSA Engineering Change Proposal (ECP) Risk Assessment Panel (RAP) Questionnaire
